

ZET10 - Privacy and Cookie Policy

ZET10 website and Trading Platform ensures its clients personal data is protected at all times. We have put in place security procedures and controls to provide you a safe and secure environment.

Our Privacy Policy explains how we protect the privacy of your personal and financial information. We will only use your information as described in our Privacy Policy and will not rent out or sell your personal information to a third party. The collection of personal data is required for Compliance and Regulatory purposes when you submit a request via our online applications.

ZET10 reserves the right to disclose personal information to non-affiliated third parties for regulatory or reporting purposes as required by law, to protect our rights or property.

By using the ZET10 Trading Platform you accept our Privacy and Cookie Policy.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways: - To personalize your experience (your information helps us to better respond to your individual needs)

- To improve our website (we continually strive to improve our website offerings based on the information and feedback we receive from you)
- To improve customer service (your information helps us to more effectively respond to your customer service requests and support needs) [Do we use cookies?](#)

Yes, we use cookies to understand and save your preferences for future visits (Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the sites or service providers systems to recognize your browser and capture and remember certain information.
